COZY COASTAL

Inspiration board

COZY COASTAL# Dye me up, from which i had taken the inspiration from tie and dye technique which symbolize joy and happiness. according to this theme I have mainly focussed on the comfortable garments for beach. In this collection i have been used different types of silhouette to make garments.

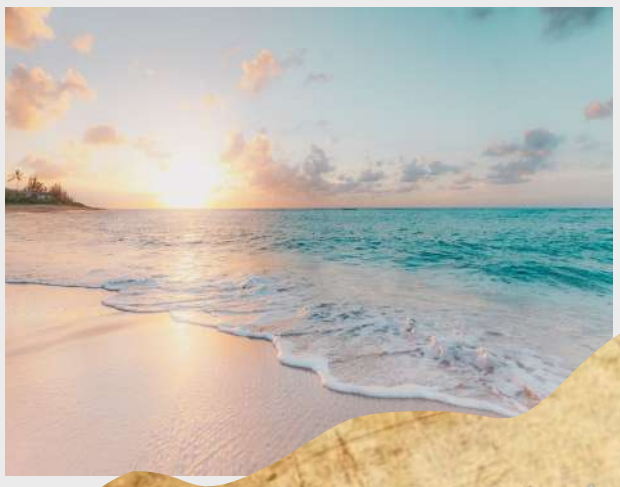

Tie and dye is one of the old form of dyeing and printing technique this process mainly consist of folding, twisting, pleating of fabric or a garment. it is one of the famous art form of Gujarat and Rajasthan. it is a process of tying a fabric with thread in different way, after that it is dyed.
